

TECHNO COLLEGE

**DIA 31 DE MARÇO DE 2.011
AUDITÓRIO G**

8h00 – 10h00 - TAVI - Transcatheter Aortic Valve Implantation

Moderators: **Eduardo K. Saadi (RS)**

Fernando A. Lucchese (RS)

8h00 – 8h20 - Overview and types of prosthesis

A. Pieter Kappetein (Holanda)

8h20 – 8h40 - Current indications and outcomes of transfemoral approach

Giuseppe Bruschi (Itália)

8h40 – 9h00 - Current indications and outcomes of transapical approach

José Honório Palma da Fonseca (SP)

9h00 – 9h20 - TAVI - What the future holds – an insight into indication expansion

Micheal Borger (Alemanha)

9h20 – 10h00 - Discussion

10h00 – 10h30 – Poster Break

10h30 – 12h30 - Minimally Invasive Cardiac Surgery

Moderators: **Fábio B. Jatene (SP)**

Mauro Paes Leme Sá (RJ)

10h30 – 10h50 - The role of TEE in minimally invasive valve surgery

Alain Berrebi (França)

10h50 – 11h10 - Mitral valve repair and replacement

Robinson Poffo (SC)

11h10 – 11h30 - The present and future directions in robotic surgery

Micheal Borger (Alemanha)

11h30 – 11h50 - Convencional versus minimally invasive cardiac surgery

Manuel Antunes (Portugal)

11h50 – 12h30 - Discussion

12h30 – 14h30 – Almoço

14h30 – 16h30 - Atrial Fibrillation

Moderators: **Renato A. K. Kalil (RS)**

Alexandre Visconti Brick (DF)

14h30 – 14h50 - Overview of catheter-based therapy of atrial fibrillation

Ângelo A. de Paola (SP)

14h50 – 15h10 - Hybrid surgical and catheter-based approach for atrial fibrillation

Vinay Badhwar (EUA)

15h10 – 15h30 Current devices and techniques

Magaly Arrais dos Santos (SP)

15h30 – 15h50 - Impact of new guidelines in clinical practice

Manuel Antunes (Portugal)

15h50 16h30 – Discussion

16h30 – 17h00 – Poster Break

17h00 – 18h30- Science of Learning

Moderators: **Domingo M. Braile (SP)**

William Northrup (EUA)

CT-surgery training in Brazil: educational objectives, educational objects, simulation, assessment.

Walter J. Gomes (SP)

Resident's view on training

Sérgio Francisco dos Santos Jr (BA)

The CTS surgical Brain project

The CTS surgical Hand project

Paul Sergeant (Bélgica)

The Ethicon Simulator award
Paul Sergeant (Bélgica)

- 2011 EACTS Lisbon Ethicon award.- low fidelity simulator for coronary anastomoses
- 2012 SBCCV Maceió Congress - Ethicon award - simulator for aortic valve repair/replacement

Discussion

18h30 – 19h00 - Wine Event: Tasting of Brazilian Wines at the Exhibition Hall - Introduction to wine appreciation and knowledge with a Sommelier

20h00 - Abertura Oficial do Congresso e Coquetel – Hotel Sheraton
